August 28 Is Final Date For Filing In Hospital Election

An election for two directors of the Tahoe Forest Hospital district is scheduled for November 3 to be held at the same time as the general election.

Candidates seeking office must file their petition with the clerk of the board, D. Bristor at the hospital not later than Friday, August 28 to get their names on the ballots.

The two members whose terms expire are James Sherritt of Soda Springs and Ted Barrett of Kings Beach, neither of whom has yet filed for reelection.

In event only two candidates file for the two vacancies, and no petition is filed demanding an election, the two may be appointed to the office they seek by the board of supervisors after a resolution has been passed by the hospital board.

Dates Announced For School Signup

A pre school registration for kindergarten and first-grade children who have not attended kindergarten will be held August 31 through September 4 at the Truckee Elementary School office, from 9 a. m. to 4 p. m. Pupils new to this area may enroll during these same hours.

Kindergarten classes will be held at the old Truckee elementary school, with children from Donner Lake, Gateway and Floriston attending the morning session and children from Truckee attending the afternoon session.

Parents must present a birth certificate for each child entering school for the first time in kindergarten or first grade. Children entering kindergarten must have their birth date on or before December 1, 1959. Children entering first grade must have their birth date on or before December 1, 1958.

California state law requires that all students, kindergarten through junior college, be immunized against poliomyelitis before official admission to classes. In light of the above requirement, parents are requested to present all past immunization records pertaining to the child being enrolled.

If you desire additional information, please contact the school principal.

SP CROSSING WILL BE CLOSED ON SUMMIT

Beginning at 6 a. m. Monday, August 24 the Southern Pacific railroad crossing at Soda Springs will be closed 24 hours each day through Thursday, August 27, Charles Carroll, trainmaster for the SP announced.

The closure is necessary to permit repair of the crossing over the two tracks.

During the time the crossing is closed, traffic will be detoured over the Sugar Bowl crossing east of Soda Springs, cars taking the road just west of the former highway maintenance station on the summit.

Permission to close the crossing was given by Edward Frates, local county road foreman.

SANDY DAVIS FETED ON 13TH BIRTHDAY

Sandy Davis who was 13 years old on August 13 was feted by her parents, Mr. and Mrs. William Davis at a picnic and beach party at the west end of Donner Lake.

A sunbonetted figure centered the pink cake, enjoyed by young friends of the honoree; Kathy Stowe, Terry Higgins, Michelle DeLisle, Debbie Williams, Bruce Leamon, Jeff Jellin, Joe Corro, Mike Davis.

PINE CONES SOUGHT BY FOREST SERVICE

The Truckee ranger station of the Tahoe National Forest this week announced that again this year they will purchase jeffery pine cones suitable for seed.

Henry Toccalini of the local station suggests that those interested contact the station for details of the type needed and the price to be offered.

The cones this year should be those from trees west of Highway 89 which will be ripe within the next two or three weeks.

WYETHIA CLUB WILL HOLD LUNCHEON MEET

The Wyethia Women's Club will hold a luncheon meeting in the edifice August 21, convening at one o'clock, according to Mrs. Irene Edwards.

Mrs. William Davis will preside and Mesdames John Boren, Lloyd Van Sickle and I. Firpo will be the committee in charge of the affair.

Sally Rodrigues, the club's candidate for the Wagon Train queen will be the guest of honor.

Vehicle Accidents In Area Result In Injuries To Drivers

Darnell Sue Henninger, 17, Ta hoe Vista, was seriously injured shortly before 10 a. m. Sunday when the Honda she was operating at Kings Beach got out of control on the sandy shoulder of the road and overturned.

She was brought to the Tahoe Forest Hospital for treatment.

In another motor vehicle accident near Floriston last Thursday, Virginia Louise Lester, 50, Tahoe City and Carl R. Pyatt, 52 Truckee were both hospitalized when their cars collided about 4 p. m. Both were taken to the Tahoe Forest Hospital.

California Highway Patrol officers said Pyatt attempted a U turn on the freeway and hit the Lester car. He was cited for driving while under the influence of liquor.

W. H. Valo, 35, Sacramento, suffered major injuries Monday at 7:30 p. m. when the orange juice laden truck he was driving lost its brakes while coming down Donner grade and plunged into a canyon. Valo leaped from the truck before it went off the grade.

The truck was owned by the Sunland Orange Juice Company of Santa Clara.

New Water Main For Business Area

At a special meeting Friday morning, the directors of the Truckee Public Utility District authorized Manager Francis Longo to advertise for bids for installing a new water main in the rear of the business block in Truckee.

The present line is beyond repair and inadequate for the purpose it was designed to serve.

The new line will be an 8-inch pipe extending some 1500 feet down the alley, connecting with a 10-inch main presently running down the hill on Spring Street from the McGlashan system.

MRS. TONINI WILL BE AT FAIR FOR AREA

At the meeting of the Truckee Donner Chamber of Commerce last week at Donner Lake Lodge, the secretary, Mrs. Robert Tonini, was designated to represent this end of the county in the Nevada County booth at the state fair starting September 2.

Mrs. Tonini will spend at least two days at the fair and will distribute brochures and other material providing it is given her before the fair opens.

The principal items requested are picture slides of the region which can be shown on a screen. The slides will be duplicated and returned to the owners, Mrs. Tonini said, but must be offered immediately.

VACATION SCHOOL AT CHURCH ON MONDAY

SQUAW VALLEY—The first day of the week-long second session of the daily vacation church school will start Monday at the United Church of Christ in Squaw Valley, Rev. Franklin Evans announced.

Children between the ages of 4 and 12 are invited and a $1 registration fee will be made. Classes are held from 9:30 a. m. until noon each day through Friday.

NURSERY SCHOOL TO REGISTER THURSDAY

The Truckee Parent Co-operative Nursery school announced that parents may register their children for the school on Thursday, August 27 between 9 and 11 a. m.

Registration will be held at the old elementary school for children between the ages of 2½ and kindergarten. Further information may be had by calling Mrs. Richard Bollin.

HEAVY TRAFFIC

Although traffic over Highway 40 from Truckee to Kingvale was heavy Sunday, with 11,445 cars reported going west, it was not unusual, according to Robert Roth, inspector in charge of the quarantine station. The previous Sunday 15,280 cars were reported in the same period.

Two Lost Children Found Safe After Hours Of Search

Two small children, Merian Delores, 2 and Marlene Beatrice, 4, daughters of Mr. and Mrs. Delbert Ernst of 5137 Dry Creek Road, Sacramento, were found a mile north of the Stanford Wood Camp, in the hills southwest of Truckee at 8:30 Sunday night after being lost for eight hours.

The two, accompanied by Virginia Watson, 16, their half-sister, went for a hike after their parents parked their car along Highway 89 south of Truckee about noon, sheriff's deputys said.

The elder girl apparently became confused in the strange territory, left the two younger girls who became tired and struck out for help. She was brought to Truckee by a Southern Pacific speeder car and reported the two children missing.

Sergeant Roy Waters of the sheriff's department said planes, jeeps and men on foot started the search, Deputy Sheriff Preston Patnoude on his motorcycle locating them safe and sound and returned them to their parents none the worse for the experience.

Patnoude said that when he located the children, the younger was crying but the older immediately inquired about Virginia. Both however appeared to enjoy the ride on the motorbike in the darkness.

The search was directed by Placer County sheriff's deputies since the children were lost in that county.

Tahoe Fire Given Usual Fast Battle

Through the speedy efforts of the suppression crews, another potentially dangerous fire, this one near the William Kent Campground at Pineland on Lake Tahoe Friday afternoon was quickly brought under control with only a quarter of an acre of brushland burned over.

It was believed the fire was started by children playing with matches.

George Steed, Truckee district ranger, dispatched a tanker plane, helicopter, two trucks and three patrol vehicles to join a tanker crew from the Tahoe City Fire Department, headed by Chief Al Henry. The inmate crew of 30 men from Hobart Mills also responded to the call.

Thus far this season all fires in this area have been confined to small areas, but forest service officiails continue to warn that fire dangers are unusually high and urge constant care.

HIGH STUDENTS ARE URGED TO REGISTER

Students new to the Tahoe-Truckee Unified School District who are planning on attending Tahoe Truckee High School for the first time this fall are requested to register prior to the opening of school.

Counselors will be available at the Tahoe Truckee High School between the hours of 9 a. m. and 4 p. m. starting Monday August 24 through Monday August 31. Students previously registered who would like to change their programs may do so during this time.

SNYDERS TO PRESIDE AT OES MEET SEPT. 1

Mr. and Mrs. Frank Snyder, worthy patron and worthy matron of Truckee Chapter No. 116 O. E. S. will preside at the first meeting of fall September 1 at 8 p. m. in a business session.

Georgia Abrahamian and her committee will be in charge of refreshments at the first meeting since June.

BACK FROM TRIP

Mr. and Mrs. Earl Stice returned last week from a two week's vacation trip through Utah, Montana, Idaho and Oregon. In Grantsville, Utah, they visited Stice's son, Dee, employed in a government installation. The younger couple recently welcomed their fifth child, a daughter, who joined her four brothers. The local couple also visited his mother in Lehi and then journeyed through Yellowstone, Crater Lake and other points of interest.

Works Bill Provides Funds For Martis Valley Reservoir

Congress last week sent to President Johnson for signature a $4 billion works appropriation bill containing some $25 million in funds for flood control, irrigation and hydroelectric power construction and for surveys of proposed projects in the Second Congressional District.

Congressman Harold T. (Bizz) Johnson, representing the 19 counties in the district, said that the program as finally approved by congress permits timely development of the water and power resources in northern California.

Included in the approved bill is $200,000 for continued design of the proposed Martis Creek reservoir just south and east of Truckee and another $200,000 for continuing design of the Watesheamu and Stampede reservoirs in the Washoe project.

Board Establishes County Tax Rate

The Nevada County Board of Supervisors yesterday adopted a resolution approving the 1964-65 budget which they previously had trimmed to a minimum, and it was indicated there would be no change in the tax rate over last year.

This means a $2.51 basic rate with the various district taxes to be added. These include a 76-cent rate for the fire district, 52 cents for the sanitary district, 13 and 2 cents for the hospital, 19 cents for recreation, plus whatever figures are arrived at later for the school and airport, both of which are established by Placer County.

This means that the highest local rate including all the districts in Truckee will be about $7.69, tapering down to $6.

Chamber Opposed To Garbage Dump

The Tahoe Donner Chamber of Commerce last week went on record opposing a proposed garbage dump on Fibreboard Paper Products Corportion land in Martis Valley as proposed by the Placer County Planning Commission for North Tahoe.

Paul Shively, timber manager for the corporation, explained the proposal to the chamber.

It had been suggested that a 10-acre tract near the Brockway Shortcut be condemned and prepared for the garbage dump. The plan is vigorously opposed by Fibreboard, the Nevada County Board of Supervisors, the forest service and others.

It is charged that eventually the runoff from the dump will contaminate streams in the area and may drain into the proposed Martis Creek reservoir, now being planned for recreational purposes as well as flood control.

LIONS WILL SPONSOR WHITE CANE DRIVE

All day Saturday members of the Truckee Lions Club, under the chairmanship of Lauren Russell, will be selling little white canes in their annual drive to aid the blind, one of the club's major projects.

There will be containers in various stores and members will solicit along the streets and in stores.

Money raised is used to buy glasses and treatment for needy youngsters in this area and to aid the Lions Eye Foundation in national research and care.

RUMMAGE SALE WILL BE HELD AT CAPITOL

The locale of the annual rummage sale, sponsored by the Truckee Assumption Guild of the Catholic Church, has been changed to the Capitol and will be held August 27, 28 and 29. Anyone wishing to donate clean, usable clothing or other items for the sale is asked to contact Mrs Carroll Maynard for pickups.

KINGVALE MAN WINS

Bob Goss of Kingvale roared to first place in the 25-lap jalopy main event at the county fairground in Grass Valley Sunday. He was closely followed by Don Heller and Al Cresswell, both of Grass Valley.

Officials Of Power Company Explain Offers To District

Sierra Pacific Power Company's offer to purchase the electric and water distribution systems of the Truckee Public Utility District still stands and will continue to stand for as long a time as is needed for thorough consideration, B. E. Lowe, company vice president, said this week.

In addition to offering $1,000,000 for the two systems, Sierra Pacific Power has made several other offers to assist the district in financing its new substation, Lowe explained.

In one proposal, Lowe added, Sierra Pacific has offered to help establish credit of at least $100,000 for substation construction. The company's opinion is that the money could be borrowed for five years at prevailing interest rates.

The company has also offered to attempt to obtain Public Utilities Commission authority to give a 5% discount on present electric costs to the district if delivery of electricity can be made at a single point, to a substation owned by the utility district. The company has also offered to build or buy a new substation for the district if desired, according to Lowe.

In a third proposal, Sierra Pacific offered to take over and assume obligations encountered by the district in the construction of the new substation either while it is being built or after it is completed. In this case, the utility district would have an option to purchase the substation at cost any time in the future that the board of directors might find it advisable, Lowe said.

School Calendar Is Announced For Year

With schools in the Tahoe Truckee Unified District opening on Tuesday, September 8, the gorerning board has announced the school calendar for the year.

The first holiday occurs on September 9, Admission Day, the next day after the opening of classes. Classes will continue uninterrupted until Thanksgiving when November 26 and 27 will be observed for the holiday.

Schools will recess December 18 for the Christmas and New Year period and resume January 4.

Lincoln's Birthday on February 12 and Washington's Birthday, February 22, will both be observed with a one day recess.

A week's vacation will be held at Easter from April 12 through 16, and Memorial Day on May 31 will conclude the vacation periods.

Schools may be open February 12, 22 and May 31, to allow for inclement weather which may force closures on regular school days.

STATION ROBBERY IS REPORTED TO POLICE

Walter Ramsey of the U-Save Service station reported to sheriff's deputies that Sunday night thieves burglarized his station, taking a quantity of cigarettes and lubricating oil. Entrance was gained through a window. The loot was valued at $55. A tire which had been removed from the station was found outside where it had apparently been abandoned by the thieves.

ARTS AND CRAFTS IN MEETING AT INCLINE

INCLINE VILLAGE—A meeting of the North Tahoe Arts and Crafts Group will be held tonight at the home of Mrs. Aleleta Bullocke on Rubicon road. The group meets each Thursday at a home of one of the members and all interested persons are invited and further information may be obtained from either Mrs. Ginnie Parsons or Mrs. Flora Correia.

TO ATTEND SEMINAR

Dr. Marvin I. Schwartz, Tahoe City optometrist will attend the 21st Annual San Jose Vision Training Seminar, August 22 and 23 at the Hyatt House in San Jose. The meeting is sponsored by the California Optometric Association and is regarded as one of the nation's outstanding educational gatherings in the field of vision training.

Quarantine Station Here Busiest With Traffic For Month

The Truckee quarantine station was the busiest of the state's 18 border stations during July, according to the report from the state department of agriculture.

There was a total of 253,672 cars, 5,718 trucks and 1,040 buses checked at the local station last month with 722,162 passengers. This far exceeds any previous month in the station's history.

The count includes west-bound vehicles and it is estimated that an equal number passed through Truckee east-bound.

The Meyers station on Highway 50 reported 183,030 vehicles and 494,735 passengers during July.

Fire at Clements Shuts Down Plant

Fire at 2.30 p.m. Wednesday destroyed the switch house at the Clements Rock Products plant west of Truckee, causing an estimated $25,000 damage and crippling the operation of the concern.

The blaze started outside the switich building from an undetermined cause. The switches control all operations of the company's hot plant.

Two tanks of asphalt were ignited and for a while created a black smoke which billowed into the sky causing alarm throughout the area.

Officials of the company said temporary repairs would be made, permitting operation by Monday, but that permanent restoration could not be completed for two or three weeks.

The Donner State Park fire department was the first on the scene, quickly followed by the Truckee and Donner Lake Volunteers and the U. S. Forest Service crews.

County Fair Opens In G. V. Next Week

The 1964 Nevada County District Fair held on "California's Most Beautiful Fairgrounds" at Grass Valley, August 27-30, promises to be the greatest ever held at this popular fairgrounds. Over 2,000 towering pine trees produce an abundance of shade. Beneath these beautiful trees the thick green grass eliminates practically all dust. The walks and roadways are lined with beautiful flowers of numerous varieties and colors. Visitors came from all parts of California last year to see the thousands of entries that are exhibited by the

FIREMEN WILL HOLD ANNUAL BENEFIT BALL

CRYSTAL BAY—Plans for holding the second annual firemen's ball on September 10 at the North Shore Club are going forward. There will be a buffet dinner, dancing and entertainment and all proceeds will go to the North Lake Tahoe Volunteer Fire Department.

Tickets will be available at Hale's and the Crystal Bay fire station and yesterday the firemen and members of the Sirens started a house to house ticket drive through Crystal Bay and Incline Village. The affair will be semi-formal.

TRAFFIC SURVEY IS CONDUCTED AT LAKE

TAHOE CITY — The state division of highways this week is conducting an origin and destination survey of traffic in the north Lake Tahoe area.

Tuesday a check station was set up on State Route 28 east of Tahoe City, east of Kings Beach on Wednesday and on the Brockway shortcut north of Kings Beach today.

The 15-second interviews are held between 7 a m. and 6 p. m.

ATTEND GAME

Mr. and Mrs. I. Firpo attended the recent game at Hughes Stadium at Sacramento when the Sacramento high school all-stars were defeated with a score of 9 to 8 by the Northern California all-stars. The latter team was successfully coached by her brother, Morton Kaer.

Petitions Are Out For Determination On Incorporation

The most important step in the plan to determine whether the Truckee-Donner area shall be incorporated into a city was taken last week when petitions asking the Nevada County Board of Supervisors to call an election to decide the issue were being circulated.

The incorporation committee of the Truckee-Donner Chamber of Commerce, headed by Dr. Ben King, met last Thursday to discuss the matter and decided to circulate the petitions immediately, although, because of the various delays for hearings and other legal technicalities, an election probably cannot be held before September of next year.

As soon as sufficient signatures have been obtained, the petition will be presented to the board of supervisors and the county clerk will report their sufficiency within 30 days. Within ten days after the clerk certifies to the board that the petitions are proper and sufficient, he will notify the Local Agency Formation Commission.

Then no further action can be taken until after the formation commission has rendered its decision on the feasibility of incorporation. The commission must hold public hearings within 60 days after the notice from the county clerk and may adjourn its hearing from time to time not exceeding 60 days.

Within 30 days after the hearing the commission will report its findings and if these finding are favorable, then the incorporation plan may continue.

Additional hearings may be held before the board of supervisors. Protests will be heard and sufficient time allowed for everyone interested to present their point of view.

After all the hearings and various other ramifications, the board of supervisors may call an election, allowing not more than 54 days from the time of the election notice. Candidates for city office would be voted upon at the same time the proposition itself is determined.

The chamber some time ago sponsored a survey of the district to determine whether or not it was feasible to incorporate and the survey, by an impartial administrative consultant, indicated that from a point of community services as well as economically, the program would be sound and advisable.

Emblem Club Will Hold Annual Affair

TAHOE CITY—Fun games, delicious food and awards will all be competing for top honors at the third annual benefit luncheon to be held at the North Shore Club Hotel in Crystal Bay starting at 1 p. m. on Thursday, August 27th. The affair is being given by the Lake Tahoe Sierra Emblem Club No. 347 and is for the benefit of BPOE Cerebral Palsy fund.

One of the top attractions will be the presentation of a 19-inch Sylvania television set which has been donated by Art Wood, Ray Plunkett and H. E. McCloskey and a large all wool afghan donated by Sophie Levra. These are now on display at the North Shore Club Hotel.

A sumptuous menu has been planned and reservations may be

ROTARY GOVERNOR VISITS LOCAL CLUB

John Vincent Lemmon, a Sacramento attorney and district governor of Rotary Clubs, made his official visit to the Truckee club Monday night.

The meeting was presided over by Lyle C. Hubbard, president of the Truckee Club.

During his visit, the district governor was given information on the club's activities including building of a barbecue pit at Prosser dam and working with the Tahoe City club on the problems of high school dropouts.

"Rotary is growing stronger as a force for the improvement of communities and the advancement of international friendship and understanding," Lemmon told the Rotarians. "Rotary clubs are functioning in 11,800 communities in 125 countries and their combined membership is more than 553,000 business and professional men—all of whom are dedicated to the Rotary principle of service to others."

LAKE LEVEL

The Lake Tahoe level on Tuesday was reported from Daryl De Walt's office as being 6226.11, with 375 cubic feet leaving the dam at Tahoe City.

High temperature was maintained at 80 degrees for three days during the week, 41 degrees being recorded on Friday.

Mrs. William Englehart and granddaughter, Cindy arrived here from southern California.

Music Director

Jerry Gray, leader of the musical aggregation at the Nevada Lodge, is a well known composer and arranger and adds to the pleasure of patrons viewing the Viva les Girls revue at the popular resort.

BAND LEADER LEADS BUSY LIFE IN LODGE

When the conductor raises his baton to strike up the rousing overture to the Vive Le Girls revue now breaking attendance records in the Topaz Room of North Lake Tahoe's Nevada Lodge—take a good long look at the leader of the musical aggregation.

Jerry Gray is his name . . . and his show business story is almost as exciting as the Vive Les Girls show itself. For Jerry is the famed composer of two musical numbers that made show business and record history a brief two decades ago. . . . "String of Pearls" and "Pennsylvania 6,5000".

As the first arranger to work with Artie Shaw, Gray's scoring of "Sobbin' Blues" and "Begin the Beguine" put the then newly-formed Artie Shaw band on top of the "Big Band" puramid. The two numbers are still considered classics in the "Big Band" sound. The Shaw-Gray collaboration was a winner until 1940 when Shaw disbanded and Jerry went over to Glenn Miller.

Jerry's steady stream of "solid instrumentals" made the Miller style the favorite of dancers around the world. His scoring of "Chattanooga Choo Choo," "Moonlight Cocktails," "Adios" and "Elmer's Tune" are still going strong today. Of course, his own two compositions—"string of Pearls" and "Pennsylvania 6-5000"—are still best sellers .

The end of World War II, and after the loss of his close and dear friend Glenn Miller, Jerry turned to his own band. The new Jerry Gray and his "Band of Today" successfully backed such names as Vic Damone, Margaret Whiting, Bob Crosby, the Andrews Sisters and Dick Haymes on radio, television and records.

"Jerry's Band of Today" sets the pace for the fast-moving, sophisticated Vive Les Girls revue. The show, now in its third record-breaking month, features an amazing array of talent imported from the European scene.

It will be held at the Tahoe Lake school and proceeds will be used for educational projects in the district schools and for a high school scholarship.

DRIVE CONTINUES ON YOUTHFUL OFFENDERS

INCLINE VILLAGE—The concerted drive by the Washoe County sheriff's department to curb juvenile delinquency in this area is continuing. About 20 juveniles have been taken into custody near Hidden Beach during the past two weeks.

Some were charged with violating the curfew law which limits public movement of those 18 and under after 10 p. m. Several were charged with illegal possession of liquor and illegally parked vehicles. Some adults were involved and were booked while the younger offenders were handled through the juvenile authorities.

DIVOT DIGGERS

By Georgiana King
(Ponderosa Country Club)

Hi ya Divot Diggers—Sunday, August 9, the club had the Scotch foursome.

We had a pretty good turn out. The winners were: 1st—Bob Bowers and Georgiana King; 2nd—Angie Besio and Patti Fink; 3rd—Eve Besio and Dick Paddock; 4th—Tina Bowers and Dick Steele.

All the winners won golf balls and Alex and Hazel awarded me the miniature golf bag for cold drinks, etc.

This Sunday, August 3, we are having our Scotch foursome again but this time we tee off at 4 p. m. Bring your own food basket and join the fun. Let's make it a 100% turn out.

A letter from the Tahoe City Women's Golf Club inviting 10 of us to participate in the first Women's Invitational at Tahoe City on September 15. Tee off time starts at 9 p. m. sharp. It will be a shotgun start. The entry fee is $10. This includes green fees and lunch. Coffee and donuts will be served from 7:30 on. The entry fee must be in by September 1. So to make it not so confusing I'll take care of sending the entry fees in. Give me a call and really talk it up. We haven't done anything like this in a long time.

Alex Stewart told me that Grass Valley has sent an invitation to the course inviting all the boy golfers to participate in the tournament August 28 at Grass Valley. They will have a barbecue, etc. That's only a week from this Friday. Call Alex about details.

I hope that a good number of golfers have qualified to play in the championship tournament. Now read this carefully. John Waller, tournament chairman, says that you have two weeks to play your first match off, starting from this past Sunday, August 16. So your first match had to be played off by Sunday, August 30th. Then each match play after the first one has to be played within one week. If one of the players can't play that week he has to forfeit.

John told me that Grass Valley is definitely coming September 13, 1964, for a return tournament with us. You are to call John Waller and sign up with him right away.

DONNER DOINGS

By VI WHITE
Phone 587-3866

This weekend the Bay Area Council of the Far West Ski Association is holding it's annual Water Ski Carnival at Donner Lake Lodge.

Seventeen clubs are participating in the two day event. There will be the hotly contested volleyball tournament, water skiing and sunbathing during the day, but to top off the affair is the delicious progressive dinner on Saturday night. Six ski lodges on Donner Summit will be open starting with cocktails and ending with dancing. Always a well attended party and lots of fun.

* * *

The day was grey and the clouds were threatening last Saturday when the Donner Lake Water Ski Club held their third annual Open Slalom. Starting at 8:30 in the morning, the cold and tense club members performed their various duties of registration, boat driving, judging, announcing and competing.

One hundred and fifty entrants went through the course at Donner Beach one by one and because of good management, it all ended about 3:30 in the afternoon. It was the largest Slalom turnout in the west.

Beautiful trophies were presented to the top three places in each class.

Clown acts and barefoot skiing stunts were performed during the day.

The hot-dog and coffee booth that the DLVFD Auxiliary sold out of hot-dogs three times and poured gallons of coffee to the chilled participants and spectators.

Fortunately for all there was very little wind and the sun did come out later in the day to warm everyone up.

* * *

Forming a beautiful back ground to the water ski event were six graceful sail boats, all of the Lido class having a race of their own.

The blue boats with white sails belonged to the Howard Mehl's and Lloyd Pratt's of Roseville, the Dave Humphries, Ed Corum's and Lee Brown's of Sacramento and the Bob Hughes' of Napa.

The Mehl's won the two day event and received the first trophy presented by the Truckee-Donner Chamber of Commerce for a sail boat race on Donner Lake.

We hope the Corum's will make this an annual event. The group sailed from their home on the south side of the lake.

PRESENT BOOM WILL CONTINUE INTO 1965

SACRAMENTO — (CNS) — The Bank of America said the nation's current 41-month-old boom—one of the longest in history—should continue at least through the middle of next year.

The bank's economics research department made this statement in its mid-year report, prepared for internal bank use only.

Highlights of what's expected for the next 12 months included:

1. There will be continued rise in the state's economy, a slight decline in unemployment rates, more consumer spending, some decline in construction activity and another big year for agriculture.

2. The gross national product is expected to increase from $600 billion in the fourth quarter of 1963 to $639 billion in the last quarter of 1964, a gain of 6.6 per cent.

3. Slower expansion during the first half of 1965 but with the economy still climbing.

4. Plant and equipment expenditures during 1964 to be about 12 per cent above the 1963 level.

5. Not much likelihood of renewed inflation, because of the projected combination of increased business and consumer demand is not likely to press hard upon the capacity of the economy to produce through mid-1965.

6. Employment will increase more rapidly than in recent years but, while improvements will be made in unemployment it still will be far short of the 4 per cent level generally considered as "full employment."

7. Consumer spending will reach record levels, including auto sales.

8. New housing starts are expected to decline from early 1964.

9. Slower increase in government spending.

10. Not so much danger of sharply rising interests rates as seemed likely earlier in 1964, although there will be some upward pressure.

GREATEST SALE OF TIMBER REPORTED

Forest Supervisor Hank Branagh reports that the greatest volume of standing timber in the history of the Tahoe National Forest was sold during the 1964 fiscal year which ended June 30. There were 22 timber sales conducted and 175.5 million board feet of timber actually sold. This amount exceeded by approximately 3 million board feet, the annual sell goal of 172 million board feet.

The volume of the timber cut was approximately 116.6 million board feet, the value of which was approximately $1,135,000.00 Of this amount 25 per cent will be returned to counties within the Tahoe National Forest for the maintenance of roads and schools.

Visiting with Bethel Van Tassel at Tahoe Vista this past week, were Allen and Trudi Radin of Las Vegas. Allen is in the men's clothing business there while Trudi has a fur salon and factory.

Trudi has the distinction of being the only fur mechanic in the United States. Born in Basil Switzerland, she moved at an early age to the United States with her parents to Salt Lake City where her father was in the fur business for many years.

From the age of nine, Trudi started to learn the fur business much to the chagrin of her father who thought her too young and not interested enough to continue in the trade after his training. She attended the University of Utah working for a degree in law which she would have had in one more ear of school. However she went back to her first love in work—fur.

Trudi designs and executes all her own work. Her fur salon is outstanding and has a distinctive canopy that will landmark it—the only other artificial flower trimmed canopy in the United States. The first and only, until now, being in New York City.

Trudi has one son, Michael.

An invitation in the mail to the champagne premier showing of Curtis Stewart Fine Furs of San Francisco which will be given by the Washoe Unit of the American Cancer Society in Reno. The show will be in the Mardi Gras Room at the New Golden on Wednesday, August 26th, cocktails at 11:30 and luncheon at 12:30

The invitations are timely—a model with only a fur piece draped from neck to knee saying "We've gone as fur as we can go"—and inside, "to bring you the finest in beautiful fall fur fashions".

Marjorie de Costa, former resident of the North Shore is now with the American Cancer Society in Reno. General chairman of the show is Mrs. James Daley, co-chairman, Mrs. William Edwards and reservation chairman, Mrs. Morrie Mandell.

Speaking of fashion shows, the cutest model in the fashion shows given at Cal-Neva is three year old Frankie Porter. Frankie's mother, Ella Mae Mercer Porter, also models in the shows but the little girl steals the show—even the extreme styles shown by the extreme models cannot compete against a darling child.

ORDINANCE NO. 7 OF TRUCKEE SANITARY DISTRICT AMENDING AND MODIFYING SECTIONS 2, 5, 12, 14, 15, AND 16 OF ORDINANCE NO. 5

BE IT ENACTED by the Board of directors of Truckee Sanitary District, as follows:

I. That a portion of Section 2 of Ordinance 5 be and is hereby amended and modified so that the third sentence thereof shall read as follows:

"Cans or receptacles for garbage shall each have a capacity of not more than thirty gallons."

II. That a portion of Section 5 of said Ordinance 5 be and is hereby amended and modified in the following respect:

That the words "licensed contractor," as therein be deleted, and there be substituted there fore the word "District."

III. That Section 12 of said Ordinance 5 be and is hereby amended and modified to read as follows:

SECTION 12. Fees and charges for service: Responsibility and Security for Payment.

1. For the collection of gar bage, rubbish, and/or waste matter once each week, where the combined amount collected does not exceed 30 gallons at one collection, the sum of $2.00 per calendar month as a minimum; where the amount exceeds 30 gallons per collection, or more than one collection per week (except as provided under Section 10 of Ordinance 5), there shall be an additional charge of $.50 per week for each additional can or pick-up, without pro-ration.

As to customers or premises where special conditions or circumstances warrant or having unusual characteristics, rates shall be established as in Section 10 hereof, or if not so established then those hereinabove specified in Section 12 shall prevail.

Payment for special clean-up jobs shall be negotiated and made at the time the services are performed.

2. Responsibility for and payment of the fees and charges established and applicable hereunder shall rest with and be paid by the person to whom such service is rendered; provided however, that where such service is being rendered to a premises containing or comprising two or more housekeeping units, apartments, or trailers, responsibility for payment shall rest with and payment shall be made by the owner and"or operator thereof.

3. That fees ando charges hereabove set forth for regular collection service shall be payable monthly in advance; and in the event that duly licensed garbage collector of the District shall elect, a security deposit not to exceed one month's charges may be required, which deposit in the absence of default by the person responsible for payment, shall be refunded, without interest, on the termination of services. The District Garbage Collector shall keep such deposits in a trust account and shall surrender the same to the District, on expiration or termination of said license or contract with complete details and records of the persons and/or premises to which each deposit relates.

IV. That Section 14 of Ordinance 5 be and is hereby amended and modified in the following respect:

In that the amount of the surety bond therein referred to be increased from $500.00 to $2,000.00

V. That Section 15 of Ordinance 5 be and is hereby amended and modified to read as follows:

SECTION 15. Every person, firm association, or corporation violating any of the provisions of this Ordinance shall be guilty of a misdemeanor and upon conviction thereof shall be punished by a fine not to exceed One Hundred Dollars ($100.00), or by imprisonment for a period not to exceed one (1) month, or by both such fine and imprisonment.

VI. That Section 16 of Ordinance 5 be and is hereby amended and modified to read as follows:

SECTION 16. If any fee provided for in this Ordinance is not paid within thirty (30) days from the due date thereof, a penalty of one hundred percent (100%) shall be added to said fee which shall be collected in the same manner as herein provided. Any person responsible for or by whom the garbage collection fee is payable, who, after notice given by the collector by bill rendered to such person or left in a conspicuous place on the premises, refuses or neglects to pay such fee, shall be deemed guilty of creating a public nuisance and liable to civil and criminal prosecution therefor, and service thereto may be severed forthwith.

VII. That except as herinabove specifically amended and modified, said Ordinance No. 5, and previous amendment thereto, to the extent not inconsistent herewith or in conflict with either State or local law, shall in all other respects remain in full force and effect.

VIII. This said Ordinance shall become effective upon the expiration of one week's publication as required by law, or September 1, 1964, whichever is later, provided however, that billings to owners or operators of premises containing two or more housekeeping units as specified in paragraph 2 of Section 12 (supra) shall not become effective until the billings of the first day of November or sixty days from the effective date hereof, whichever is later.

7. That at said general election the ballots to be used shall be in substantial conformity with the following, to-wit:

OFFICIAL BALLOT GENERAL DISTRICT ELECTION FOR TWO DIRECTORS, TRUCKEE SANITARY DISTRICT TUESDAY SEPTEMBER 8th, 1964

INSTRUCTIONS TO VOTERS: To vote for a candidate of your selection to the office of Director of Truckee Sanitary District, stamp a cross (X) in the voting square to the right of the name of the candidate. Where two or more candidates for the same office are to be elected, stamp a cross (X) after the names of all of the candidates for that office for whom you desire to vote, not to exceed, however, the number of candidates who are to be elected.

To vote for a person not on the ballot, write his name under that title of the office in the blank space or spaces left for that purpose.

If you wrongly stamp, tear or deface this ballot, return it to the inspector of election, and obtain another.

On absent voter ballots mark a cross (X) with pen or pencil.

NOTICE OF APPOINTMENT IN LIEU OF ELECTION TAHOE FOREST HOSPITAL DISTRICT 1964 GENERAL ELECTION

NOTICE IS HEREBY GIVEN:

That pursuant to Section 32,100.9 of the Health and Safety Code of the State of California, that if on the sixty-fifth day prior to the biennial general election in said District heretofore set for the 3rd day of November, 1964, only one person has been nominated for each of the offices of Director to be voted upon at such election, or if no nomination has been made for each of such offices, or if on such day a petition requesting that election be held, as specified in Section 32,100.4 of the Health and Safety Code has not been filed with the Board of Directors, that then and in that event said Board of Directors of said District may request the Board of Supervisors to appoint to the offices those persons, if any, who have been nominated therefor.

TAHOE FOREST HOSPITAL DISTRICT.
By: TED D. BARRETT, Secretary of the Board of Directors thereof.
Publication date: August 20th, 1964.

COFFEE AND OPENS IN TRUCKEE THIS WEEK

Truckee's newest business—the Coffee And—in the Owens Building on the main street, was opened last week by its managers and owners, Jo Brown and her son, Don.

The attractive shop is featuring fresh donuts and sweet rolls daily and may be consumed on the premises or taken home. They are also taking orders for home-made pies and cakes.

Breakfast dishes and sandwiches are served all day.

Mrs. Brown and her husband, Earl, formerly operated Brown's Cafe for many years and both she and her son are well known locally.

Mrs. Heller Visits

Mrs. Pearl Heller entertained the Annie Mills association 59er group of past matrons and also the Henry Wintz 59er group of past patrons at her home in San Rafael. Thirty were present at the picnic August 2 held on the patio of her home. The hostess was a week end visitor at Truckee.

Students Complete Fire Fighting Class

Some 60 pupils from the Moraga School District attended the final session today of a fire suppression demonstration program given by U. S. Forest Service personnel at the Truckee Ranger Station and the Stateline Lookout.

Since the beginning of the program, June 18, more than 550 school children have attended the demonstrations, which consisted of instruction in how the forest service uses hand tools, tankers, helicopters, lookouts and weather instruments to combat forest fires. With the fire danger being high this summer, the importance of care with fire in the forest was emphasized.

Besides the Moraga pupils, children from the Orinda Union School District and the Emeryville School District, all San Francisco bay area schools, attended the program. About 15 children from the Truckee Elementary School also attended.

For the Orinda and Moraga pupils, the fire suppression demonstration was part of a week-long program called "Science and Conservation Throughout Their Education" and held at Donner Ski Ranch and Hoyfjellet Lodge near Norden. The conservation program included classes in plant succession, tree identification and geology as well as hiking and swimming trips and was sponsored by the school districts.

Director of the conservation program was Frank Isola and Assistant Director was Lawrence Pilcher. Instructors and counselors included Ray Ferro, Virginia Haire, Jan Chilton, Diana Ferry, Kay Dunbar, Kathy Halloran, Richard Shirey, Ken Hamburg, all of Orinda except Miss Ferry who is from Lafayette. Forest Service fire suppression instructors were Peter Achuff, Brian Dennett, Gary Shelton, Lyndon Orr, Harold Thornton and Donald Rickert.

FOREST FIRE

The helicopter from the Truckee district ranger station was dispatched to Camptonville last Friday when a quarter acre forest fire threatened to get out of control.

Mr. and Mrs. Doug Barrett and Kathryn Barrett returned to Sacramento with Sheila Barrett who had been a house guest of her uncle and aunt, Mr. and Mrs. Robert Leamon.

Adolph R. Westphal who for many years owned a summer home at Lake Tahoe and who expired April 17, left an estate valued at $2,989,505, half going to his wife and the other half to two daughters.

S.S. Man To Visit

A representative of the social security administration will be at the justice court in Truckee between 9 and 10 a. m. on Tuesday, August 25, to provide information to those desiring it. It was pointed out that changes in the social security laws have reduced to the amount of work needed to qualify for benefits for those over 65.
